

Furan - Occupational Monitoring

Company Name	Website	Contact	Contact Phone	Comments
S.I. Environmental	www.sienvironmental.co.uk	neil.fenwick@sienvironmental.co.uk	01623 473232 / 07763 377455	Based in Nottingham.
IOM Institute	http://www.iom-world.org	Lynn.Rogers@iom-world.org	01785 333202	Based in Stafford.
ESG	www.esg.co.uk	martyn.deacon@esg.co.uk	01283 554348 / 07720 790079	Based in Burton. Around £80/sample (min 3 samples)
				All three organisations can determine furan, and the methyl derivatives. The last two would be reported as a single figure though as they have similar boiling points.
