

**INDEPENDENT CHARTERED CERTIFIED ACCOUNTANTS REVIEW REPORT
TO THE DIRECTOR OF THE BRITISH COFFEE ASSOCIATION**

We have reviewed the financial statements of British Coffee Association for the year ended 31 December 2023, which comprise the Income and Expenditure Account and the Balance Sheet. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective January 2015) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the Association's director in accordance with our terms of engagement. Our review has been undertaken so that we might state to the director those matters that we have agreed with him in our engagement letter and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's director for our work, for this report or the conclusions we have formed.

Director's responsibility for the financial statements

The director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Accountants' responsibility

Our responsibility is to express a conclusion based on our review of the financial statements. We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2400 (Revised), 'Engagements to review historical financial statements' and ICAEW Technical Release TECH 09/13AAF 'Assurance review engagements on historical financial statements'. ISRE 2400 also requires us to comply with the ICAEW Code of Ethics.

Scope of the assurance review

A review of financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. We have performed additional procedures to those required under a compilation engagement. These primarily consist of making enquiries of management and others within the entity, as appropriate, applying analytical procedures and evaluating the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (UK and Ireland). Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements have not been prepared:

- so as to give a true and fair view of the state of the company's affairs as at 31 December 2023 and of its loss for the year then ended;
- in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- in accordance with the requirements of the Companies Act 2006.
